

RULES FOR WRITING ABSTRACTS AND KEYWORDS

The abstract contains a concise description of the structure and content of the article. It should include about 1000 characters (with spaces).

The authors prepare an abstract and a list of about 5-8 key words in Polish and English.

Please do not integrate the abstract and keywords with the text of the article but enter them within the metadata while submitting the article by the CzasKUL Journals Platform.

<https://czasopisma.kul.pl/snt/about/submissions>

according to the instructions there.
